[S1 INTRODUCTION]

WHAT DO YOU REGRET?

I didn't get a high score.

I failed to reach the peak of Mount Jade.

I forgot to bring my passport.

I didn't follow my parents' advice.

I failed to get along with my classmates.

I forgot my best friend's birthday.

woulda = would have

[S2 EXPERIENCE]

WHAT WILL YOU HEAR IN THE SONG?

What happened to the woman?

(1) Never woulda seen the trouble that I'm in.

(2) Woulda been gone like a wayward wind.

(3) Never woulda run through the blinding rain.

How does she feel now?

(4) Never woulda loaded up a forty four.

(5) Never woulda took a mind to track him down.

(6) Never woulda gone to that side of town.

WRITING PRACTICE — WHAT DO YOU REGRET?

身為一名高中生，你覺得從以前到現在，最讓你後悔的一件事是什麼？請以此為題，寫一篇英文作文。第一段描述過去讓你後悔的一件事，並說明為何這件事對你如此重要；第二段則說明未來你將採取哪些行動，避免類似憾事再次發生。

STUDENTS' WRITING

- ... I regret that I did not read more English when studying in junior high school.
- ... I should have read more English books before I noticed my English was poor.
- The reason why something I regret happened is I did not see things in the long term.

What Do I. REGRET

接前頁從此寫起

↓
When I was in junior high school, I had ever heard of English is important and it was better to learn English not only from the textbooks. But I didn't take it seriously. I thought it was not necessary to learn more. It was enough that textbooks taught. However, when I became a freshman of senior high school, I realized that how important English is and I regret that I did not read more English when studying in junior high school. I couldn't understand what teacher said in a short time and the test became difficult for me. Maybe I should have read more English books before. I noticed my English was poor.

The reason why something I regret happened is I did not see things in the long-term. I just considered what I need at that moment instead of what I need in the future. Therefore, I will look everything's future. I will not confine myself in the moment. Additionally, I will grasp every chance. In stead of regretting in the future, I want to try every chance although it may not be successful. By the way, if I still can not avoid something pity happening, I will let it go. Always move forward will not make me miss any chance. I hope I will not regret doing anything or not doing anything.
